Peter Hutton rated it liked it Jan 27, Nick Christofides rated it it was amazing Aug 19, ConstableHeavyDutyK. While the punk originators remained underground favorites, this hilarious and realistic guide rips up the rule books: Hoskyns beautifully describes the relationship between music and addiction, between love and infatuation. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. Never Enough is Hoskyns' sraw, uncompromising and utterly compelling account with photos and diary entries, Hoskyns examines why he so willingly gave himself up to the death-grip of heroin, and what it took to finally free himself from it.
