Conservation land managers work with conservation groups, land owners, or other entities to protect specific wildlife and land. If animals are your passion – the field that makes you want to get up and do something – then you can certainly achieve this balance.

Those who work in kennels or shelters can learn more about the job by taking classes. Conservation and forest workers keep track of wildlife, gather data, suppress forest fires, and work to improve the health of forests. This type of service is most commonly offered for dogs, which tend to be the most social of all pets.

Plus many times owners just want you to check in, feed, give medication, or clean your pet a resume with awards, acting classes and certifications and put it in the pictures. Bake homemade pet treats and market them through area pet shops, on the Internet and by word of mouth.
