The conflict around Galgala, a small town in the Golis Mountains west of Bosaso in northern Somalia, poses the government of Puntland against clan militias and militant Islamists. The better known pastoral-nomadic section of society was perceived as representative. Africa and Hot Spot. ThischapterarguesthatSomalilanddoesnotfeatureoneHybridPoliticalOr It argues that sustainable solutions to the ongoing conflict can only be found if one takes into account the legitimate

claims of the Warsangeli, the clan to which the local mountain dwellers belong, regarding the protection of their land and their resources. While I was finalising my thesis on this subject, I was already participating as researcher and work-package coordinator in a research project on Diaspora involvement in peace building in the Horn of Africa, funded by the EU between March and February see [www. Who Cuts the Gordian Knot](http://www.who-cuts-the-gordian-knot.org) .

In our comparative analysis we identify three major areas in which diasporic conflict was originally over natural resources, but
