Books An evil emperor. I'm not sure if it is intentional or not. That's a compliment, not a criticism.

This one is just as much a must read as *The Crown of the Blood*. For me the heart of the story is about how the smallest choices we make often when we're emotional can have large soul-world destroying consequences. Ulsaard is an outlander, a soldier who has risen to the post of general and whose power in that post involves him in dynastic and other struggles in the Askhorian Empire's capital even before a certain secret is revealed that leads him to wage all-out war all over the empire. Please try again later.

The Brotherhood had a boring name, but was one of the better and more interesting. 16, Kaora rated it it was ok. Plop her in the middle of her enemy's territory and throw in some secrets and magic and a love triangle
