Urban marketing has to do with promoting your company and products using what urban cities have to offer you. So, nowadays, when you use a flash mob, make sure it is something a bit more memorable than the usual.

They would love to see what goes on behind the scenes, in areas they usually are not allowed to see. Large crowds spent hours in the store as a result. Also called stealth marketing, marketers go undercover, disguising themselves as peers in their target audience.

There are so many courses you could offer, depending on your expertise. We use courses that include business ...
