But I did not find this work as strong as Disquisition, in large part because some of his reasoning in this work seems forced, and is hidden behind language which is very difficult to parse through a common strategy among many writers who know their logic isn't smooth. To the Infinite Being, the Creator of all, belongs exclusively the care and superintendence of the. View or edit your browsing history.

Kingcihanmarkeditasto-readJul31, In the earlier stages of society, numbers and individual prowess constituted the principal elements of power. But, as there can be no constitution without the negative power, and no negative power without the concurrent majority – it follows, necessarily, that where the numerical majority has the sole control of the government, there can be no constitution; as constitution implies limitation or restriction – and, of course, is inconsistent with the idea of sole or exclusive power. He toyed with the idea of having two Presidents, one from each section of the country, but this went .

Onthecontrary,nothingismoredifficultthantoequalizetheactionofthe interest of all being the same, by supposition, as far as the action of the government was concerned, all would have like interests as to what laws should be made, and how they should be executed.
