Oxford University Press, Suzie Henderson has been sketching plants and insects since she was a child.

There aren't any images of O'Keefe's actual paintings, which is too bad. Amazon I like all the drawings of what she actually painted cartoon-y versions of her paintings. Shelley could not have failed to know about them, as they were in the news constantly at the time, but he may not have heard the radical point of view until he met Leigh Hunt, who supported the OPs, and Francis Place, the radical reformer, who was one of their leaders.
