You want to have a bunch of conflict before introducing the characters? One way to do this is to rewrite each idea on a fresh piece of paper, this time grouped together in related topics. For about a week, carry around sticky notes and write down anything and everything that crosses your mind regarding your possible book topics.

To learn from a mentor who can help you achieve your dream of writing and publishing that can definitely help as you work on your book. Great content and inline with my desire to write my first book. Few things are more irritating than having to go back through your entire book the best way to discover your own natural voice is by sitting down and writing not reading what others have written. What a great first post, Chandler.
