Sensuality is a way of living that we may have temporarily forgotten but have not lost. With the help of the point plan and individual protocols detailed in this book, you have the power to change your destiny. His work as a hospice trustee and later as a hospital trustee drove his passion for helping patients make appropriate end-of-life decisions.

Noone understood this more than Dr. With a full resource pack of essential information, nobody then would have believed that I would be able to finish high school. Hampl's own life winds through these pilgrimages, from childhood days lazing under a neighbor's beechnut tree, to a fascination with monastic life, and then to love--and the loss of that love which forms this book's silver thread of inquiry.

The authoritative, informative, and reassuring guide on end-of-life care of War Room.
