The feel of Amsterdam is I put off this one for some time, not interested with the inadequate name and the dull looking cover, but found that I really really liked it once I got into it. Monolithic China, Tiananmen Square and The Great Firewall of China internet censorship are some of the images Fallows seeks to balance in this collection of extended essays about the people of China.

I've never read a book that connected the generations so powerfully. His essays reveal the deepening curiosity of a sensitive and articulate journalist on a lengthening reportorial mission. Lists with This Book. And life being what it is, how could it last? Well worth the read for anyone interested in China. Everyone who applied for a permit to actually protest was arrested.
