Don't have an account? It got a second star from me simply because it is a survey and I wish more not history fans would learn history, so I can't bring myself to truly hate it.

Amazon Inspire Digital Educational Resources.

I must emphasize that it only covers the military aspects and not the political. The other reviews are accurate. Please try again later.

I do think he missed the mark a bit on the impetus behind the origin of ancient warfare. Do you like to tell us about a lower price? Want to Read Currently Reading Read.
