Topics include teen thinking and secrets on issues from sex, drinking, and drugs, to peer pressure, self-imposed standards, and beliefs about what is important, and painful, in life. We highly recommend this book -- what parent couldn't use advice from someone who has seen first hand how children act when their parents aren't around, or when they go through situations that they cannot discuss with their parents?

AnIntimateUnderstandingofAmerica'sTeenagers: They are just a few of the teenagers that readers will meet, in this candid book authored by a year veteran high school teacher. A must read, this is a how-to manual for understanding adolescents and inviting them into adult life

AnIntimateUnderstandingofAmerica'sTeenagers:Andthekindofguywhowouldn't even make it through this book, on account of this guy's angsty, condescending tone.
