Industrial technology was imported from Britain. Britain and the Dutch Republic allowed Protestant dissenters to migrate to their North American colonies – thus the future United States found its early Protestant ethos – while Protestants were forbidden to migrate to the Spanish colonies thus South America retained its Catholic hue.

Henry V left this mark with a famous victory against larger numbers at the Battle of Agincourt. Cathedral schools began in the Early Middle Ages as centers of advanced education, some of them ultimately evolving into medieval universities. Because, according to what we were taught in school, these should never exist!

Prussia won the war and gained two border territories, Alsace and Lorraine. Around them they were producing illuminated manuscripts such as the Book of Kells. Between and Britain continued to peacefully switch between Liberal and Conservative governments, and maintained its vast empire, the largest in world history.
