Her most important contributions in the book are in the areas of sacred hermeneutics. Withoutabox Submit to Film Festivals. The Devil's Dozen Gemma Gary. Salomonsen's view, based on both introductory and advanced workshops in "women's mysteries" is that essentialized notions of gender are used and deployed strategically in Reclaiming to establish power-from within for peoples and situations that require it for a specific time and purpose, and that while reified notions of gender have certainly influenced and spread through the Reclaiming community, they are constantly challenged and interrogated in a continuing process of dialogue.
