A good basic biography of Patrick. I entered and won. Patrick was a missionary to the Irish. Hard to accurately portray someone from years ago using the only two sources available, both autobiographical, and much conjecture and extrapolation must be applied by the author. As Patrick drew closer, he felt God's presence. Anyways, after escaping St. He obeys God and returns to bring Christianity to the people of Ireland. Classical writers, including Caesar, write about druids who practiced human sacrifice, but many scholars think it's Roman prejudice against the so-called barbarians.
