Reviewed 1 week ago World-class driving experience! In the National Parks Act was amended, making the maintenance of ecological integrity the top priority.

Where do you get the National Park permit to drive on the Icefield Parkway?

The Act also required each park to produce a management plan, with greater public participation. Rivers and lakes are frequented by over a hundred different species including loonheron and mallard which spend their summers in Lake Louise & Icefields Parkway park. It was marketed to a regional middle class audience, and became the centerpiece of local boosters aiming to attract visitors, which were a low priority for the Canadian Pacific Railway CPR.

If you choose to stop, please ensure that you are completely off the road. The husband is a professional photographer, so we will be stopping. The Sunwapta Falls Resort also has a small restaurant.
