Available talent is decreasing even though the population is increasing. If you are leaping a ravine, the moment of takeoff is a bad time for considering alternative strategies.

Work will always be with us, and many works are worthy. Here are five traits the

Most people, unfortunately spend most of their time in the closed mode. Strategic intent is senior management's primary motivational tool for radical idea generation. A lateral leader inspires people to have the confidence to take risk, energizes people and can help them develop their skills in creative techniques.

Without creativity, there would be no progress, and we would be forever repeating the same mistakes. To think creatively, we must be able to look afresh at what we normally take for granted. Seuss-style, so everyone can understand.
