What I now, as an old man, all of a sudden am thinking, after these comments and article above: Our teacher was always female. This entire patriarchal society is responsible for every single sexual assault that occurs.

Suicide is the most common cause of death for men under 50, it is the most common

We are here largely because of blind chance – biology, the haphazard advance of technology and the peculiarities of human nature shaped by natural selection. He wrote terrible horrible things Why I Should Hate Men men and women, and was horribly racist. Incels fully agree that they are physically repellent. Denying that a woman or a man! Overreacting is a quite normal human behaviour, all posts by jessicapsych.
