I think these short stories were written for you to "remember and reflect". I believe I will eventually need to obtain a copy of this book for myself or just continue liberating the library copy at Christmastime each year.

Neither of us has a head for figures; we count slowly, lose track, start. It was issued in a stand-alone hardcover edition by Random House in and it has been published in many editions and anthologies. Perfect little story about a Christmas with Capote, the child, and his not quite right cousin "Sook. Lists with This Book. Don't have a Kindle?
