Her writing style is both conversational and professional. The book is a primer for

The first section of the book discusses different aspects of being a professional designer. Description The Knitgirl Guide To Professional Knitwear Design is the first-ever book targeted to designers of all experience levels who want to create, communicate and sell their work professionally to magazines, publishers, consumers and other markets. I think Shannon is one of the smartest women I've met, and this book provides solid evidence for my claim.

My criticism is mostly technical--many of the design tips are not as clear as they could be. This book is full of great information. Breakthrough Guide to Norah Gaughan. Knitting Double Anja Belle.
