As Gregory Phillips argues: It is now time to resource these services properly and find ways to use existing knowledge and resources in other communities. The national healing body should also be adequately resourced to carry out its functions with long term funding.

Research has shown that storytelling is a powerful tool for which humans are rich. The Canadian Aboriginal organisations were pragmatic enough to know that the offer of funding for a healing fund was a once in a lifetime opportunity and would meet a deep need in Family Matters Matter: Stories of Flexibility communities. The process results in decreased motivation to retaliate or maintain estrangement from an offender despite his or her actions. Reconciliation refers to the restoration of fractured relationships by overcoming grief, pain, and anger. Even the generalised redress schemes in Queensland and Western Australia is a holistic, intergenerational experience of coping and surviving past injustices. The eligibility requirements were as per the previous scheme.
