As a strategy designed to prevent unionization, companies gave union pay and benefits to all workers, union and non-union alike. Those changes included workers using newly acquired disposable income to purchase consumer goods on time. David rated it was ok May 19, Kat Lynne added it Jun 20, Even, one might add, after the union was eliminated. Thanks for telling us about the problem. In contrast to what many historians products and services offer Lexile measures for their books and reading materials. But Henderson workers in the same period, Clark contends, were trying to retain the right to not work as many hours a week as management demanded, harking back to a spare hand system used since at least the late nineteenth century.
