No trivia or quizzes. Half-vampire, half-human, Nina Martinez spent most of her life underground as part of an elite secret team of government agents who quietly take down rogue monsters, the human world none the wiser.

Return to Book Page. Book provided by author in exchange for a fair and honest review.

When I first read the synopsis of this book I thought that it would be great. If she is to avoid future attacks she must learn about the secrets of her heritage, protect her real identity from Max all while trying to foster a love connection with . This is a great start to a series. The first sex scene had nothing to do with plot, it was just there for the sake of having a sex scene. Now, if you excuse me I need to get the next one!
