But those who shirked their responsibility soon learned there was no way out of the horror - if they ran from German guns, they would be shot by British ones. He was years old.

My division would be ahead of my barriers, parking and folding wings. In the last letter that I had from France You thanked me for the silver Easter egg which I had hidden in the box of apples You liked to munch beyond all other fruit. Immediately after the shooting, the medical officer would examine the man. Dulce et decorum est Pro patria mori.

All I had was the fire coming out of the exhaust at the side of the engines. Relatives and supporters of the executed men are fighting to win them a posthumous pardon.
