Apr 27, Karie rated it liked it. Amazon Media EU S. Serving murder, mayhem and pies, Stealing Mercy is a romantic adventure set in on the eve of the Great Seattle Fire when more than the city is set on fire.

First off, the editing is horrible! What did I just read? I completely understand withholding the full story until the end of the book, doling it out in pieces. Wow--I loved this book! It does need another round of editing for content accuracy and clarity, but if you're not an editor horse person, you might not notice. It was a historical mystery with some romance thrown in.
