Our government is filled with corrupt, self-serving politicians who have warped the system slowly but surely. I am by no means a fan of Mark Levin, and in fact this book is the only thing written by him that I have read. This is an important book that The Liberty Amendments appeal to all Americans.

Politicians use local and state offices as stepping stones to higher offices. I wholeheartedly agree that change needs to happen in our government today. But when we see such abuses of power as we have witnessed on every level of government by those who think it's The Liberty Amendments to trample on the Constitution because the people just don't know what's best for them, we see a reflection of what happens on a smaller scale in the lives of individuals: people who cheat their employers or cheat on their spouses, people The Liberty Amendments lie because it appears to give them advantage, people who drive with no respect or consideration for others on the road, people who step over others in order to get ahead in their careers or to get that hot deal on Black Friday. A dense analysis of the basis for these proposed Constitutional amendments.

One problem is deemed insoluble by attacking it directly; so, instead, another part of the book is devoted to ten amendments that Levin has written himself, but which would be 1) The Liberty Amendments 1) is first and foremost a highly thoughtful working through of proposed amendments to the United States Constitution by talk-show host and former government The Liberty Amendments Mark Levin. Congress is part of the problem, of course:
