It takes less time to do a thing right than it does to explain why you did it wrong. Decide what you want. In order to deliver this aspect of the product, I pulled in three new project resources with specific skills in each of the mobile technology platforms we targeted and cross-trained all project resources to support each platform.

Probably the most notable accomplishment was delivery of the mobile apps product. The manager endorsement and promotion make the accomplishment even more impressive. Then work on building out the supporting examples for these accomplishments. Eighty percent of success is just showing up.

Since I had already developed two iPhone apps and no one else on the team had worked on them, it was a challenge. The philosophies he shared are applicable far beyond basketball.
