Submitted by Jason on August 22, - 5: But even if people speak the same language, they may communicate in different ways. They may have trouble filtering out background noise or listening to and following. Engaging in deep conversations through problem-solving workshops or dialogues can also reduce misunderstanding by improving relationships by providing more Misunderstanding the Understood to communication, and by breaking down stereotypes that contribute to negative characterizations or worldviews. Write about your feelings; meditate on them, or just sit quietly and allow them to go through you. Has Gender Always Been Binary?
