It combines art history, geography, Norwegian nature and interesting stories in a compact format. And it's the sort of landscape that speaks to me .

It's late spring and the buttercups and blossoms are bursting with new life as

Thank you so much for stopping by and sharing your thoughts!!

But his legacy lives on, and he too, in all of his work!

Glimpses of Norwegian nature and Norwegian artists" by Arvid Brynne trans. J. E.

striking details can be found throughout this painting: They found inspiration and subjects for their art in a country whose spectacular scenery attracts visitors from all over the world.
